Naragonia (Belgien)

„Naragonia is a Belgium duo formed in 2003 in Portugal by Pascale Rubens and Toon van Mierlo. Both play the Diatonic accordion but know their way on instruments such as the Gaita, saxophone, violin and clarinet as well. (...) It's pure quality, beautiful dance music, played a bit introvert. This makes their music a real pleasure to listen at home and to dance on at concerts. Fabulous interaction between the musicians, strong duets between the two accordions, sad violin, great gaita. Naragonia proves with this album to be one of Belgium's best kept secrets, time to conquer the world!“
